In Memoriam.

Robbie Marion Steele, who met death by drowning in the Cumberland river at Kuttawa Friday evening March 15th, 1907. He was born Dec. 23 1884. Was a son of Geo. Y. Steele, of Dyceburg, his mother having died when he was a mere child, leaving the father the entire care of his motherless children, of which Robbie was the second, I will say that rarely such devotion have I ever seen in a father, and this sad affliction falls heavily upon him. Robbie and his little brother, Percy, and his sisters, Mayme, Nellie and Una dearly loved each other. And the young heartbroken wife, of only five weeks, is prostrated with grief. I will say to her look up from the dark and turbulent waters, where the body of her loved husband lies, and know that his soul is with God, and his sainted mother and feel this death makes Heaven nearer and clearer—yes and dearer, and when a few more fleeting years have past, he'll meet you at Heaven's gates and lead you on. He was truthful, obedient and courteous to all, and these are good qualities loyal and true, ever trusting, modest and sincere in every act of his short life. He has passed from this earth to those great rewards which our father in Heaven ever bestows upon the just and good in the face of death. We can only bow heads in reverence and say "Thy will be done" may the God of all grace place his ever-lasting arm around this bereaved family, and finally bring them again into the companionship of the loved and gone before.

Worth Knowing About

If you need a first-class laxative, there's nothing better nor safer than that old family remedy, Brandreth's Pills. Each pill contains one grain of solid extract of sarsaparilla, which with other valuable vegetable products make it a blood purifier of excellent character. If you are troubled with constipation, one pill at night will afford great relief.

Brandreth's Pills are the same fine laxative pill your grandparents used. They have been used over a century and are sold in every drug and medicine store, either plain or sugar-coated.

The News—No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is—and has been for 20 years. The National Law now requires that if any poisons enter into a cough mixture, it must be printed on the label or package.

For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold by Haynes & Taylor.

On the 29th day of March, 1907. H. B. Stembridge celebrated his seventy-second birth day, at his home near Iron Hill. He prepared a sumptuous feast for his children and friends, but being an unfavorable day, there was only a few present, but they enjoyed them selves.

Uncle Henry Stembridge, as he is commonly known, is the father of thirteen children, and twelve is still living, and he is an old Baptist in faith and practice and a democrat politically. He is loved and respected by all of his acquaintances. And we hope he may be spared to celebrate several more birth days, if it is the will of the Creator of all things. A. J. E.
